Bengal Act VI of 1941.

THE BENGAL FINANCE (SALES TAX) ACT, 1941.

[*Passed by the Bengal Legislature.*]

[Assent of the Governor-General was first published in the *Calcutta Gazette, Extraordinary*, of the 1st July 1941.]

An Act to impose a general tax on the sale of goods in Bengal.

Short title, extent and commencement.

1. (*1*) This Act may be called the Bengal Finance (Sales Tax) Act, 1941.

(*2*) It extends to the whole of Bengal.

(*3*) It shall come into force on such date as the Provincial Government may, by notification in the *Official Gazette*, appoint.

Definitions.

Explanation.—A co-operative society or a club or any association which sells or supplies goods to its members is a dealer within the meaning of this clause ;

Explanation 1.—A transfer of goods on hire-purchase or other instalment system of payment shall, notwithstanding that the seller retains a title to any goods as security for payment of the price, be deemed to be a sale :

Explanation 2.—Notwithstanding anything to the contrary in the Indian Sale of Goods Act, 1930, the sale of any goods which are actually in Bengal at the time when the contract of sale (as defined in that Act) in respect thereof is made, shall, wherever the said contract of sale is made, be deemed for the purposes of this Act to have taken place in Bengal ; III of 1930.

(*h*) "sale-price" means the amount payable to a dealer as valuable consideration for—

(*i*) the sale of any goods, less any sum allowed as cash discount according to ordinary trade practice, but including any sum charged for anything done by the dealer in respect of the goods at the time of, or before, delivery thereof, other than the cost of freight or delivery or the cost of installation when such cost is separately charged ; or

Provided that the tax shall not be payable on sales involved in the execution of a contract which is shown to the satisfaction of the Commissioner to have been entered into on or before the date so notified.

The Bengal Finance (Sales Tax) Act, 1941.

(Section 5.)

(2) Every dealer to whom sub-section (1) does not apply shall be liable to pay tax under this Act with effect from three months after the commencement of the year immediately following that during which his gross turnover first exceeds the taxable quantum.

(3) Every dealer who has become liable to pay tax under this Act shall continue to be so liable until the expiry of three consecutive years, during each of which his gross turnover has failed to exceed the taxable quantum and such further period after the date of such expiry as may be prescribed, and on the expiry of this latter period his liability to pay tax shall cease.

(4) Every dealer whose liability to pay tax has ceased under the provisions of sub-section (3) shall again be liable to pay tax under this Act with effect from three months after the commencement of the year immediately following that during which his gross turnover again exceeds the taxable quantum.

(5) In this Act the expression "taxable quantum" means—

(a) in relation to any dealer who imports for sale any goods into Bengal, or himself manufactures or produces any goods for sale, 10,000 rupees ; or

(c) in relation to any other dealer, 50,000 rupees.

Rate of tax.

5. (1) The tax payable by a dealer under this Act shall be levied at the rate of one quarter of an anna in the rupee on his taxable turnover.

(*2*) The Provincial Government, after giving by notification in the *Official Gazette* not less than three months' notice of its intention so to do, may by like notification add to the Schedule, and thereupon the Schedule shall be deemed to be amended accordingly.

Registration of dealers.

7. (*1*) No dealer shall, while being liable to pay tax under this Act, carry on business as a dealer unless he has been registered and possesses a registration certificate.

(*2*) Every dealer required by sub-section (*1*) to be registered shall make application in such behalf in the prescribed manner to the prescribed authority.

(*3*) If the said authority is satisfied that an application for registration is in order, he shall in accordance with such rules as may be prescribed, register the applicant and grant him a certificate of registration in the prescribed form which shall specify the class or classes of goods for the purposes of sub-clause (*ii*) of clause (*a*) of sub-section (*2*) of section 5.

(*4*) The Commissioner may from time to time amend any certificate of registration in accordance with information furnished under section 16 or otherwise received.

(*b*) the gross turnover of any such business has during each of three consecutive years failed to exceed the taxable quantum,

the Commissioner shall cancel the registration.

Voluntary registration.

8. (*1*) Any dealer whose gross turnover during a year exceeds 10,000 rupees may, notwithstanding that he may not be liable to pay tax under section 4, apply in the prescribed manner to the prescribed authority for registration under this Act.

(*2*) The provisions of sub-sections (*3*) and (*4*) and clause (*a*) of sub-section (*6*) of section 7 shall apply in respect of applications for registration under this section.

(*3*) Every dealer who has been registered upon application made under this section shall, for so long as his registration remains in force, be liable to pay tax under this Act.

(*4*) The registration of a dealer upon application made under this section shall be in force for a period of not less than three complete years and shall remain in force thereafter unless cancelled under the provisions of this Act.

(*5*) Subject to the provisions of sub-section (*4*), a dealer registered upon application made under this section may apply in the prescribed manner not less than six months before the end of a year to the authority which granted him his certificate of registration for the cancellation of such registration to take effect at the end of the year in which the application for such cancellation is made; and the said authority shall, unless the dealer is liable to pay tax under section 4, cancel the registration accordingly.

Lists of registered dealers to be published.

9. The Provincial Government shall, as soon as may be after the commencement of this Act, publish in the *Official Gazette* a list of the names and addresses of registered dealers together with a description of the goods covered by their certificates of registration, and thereafter shall in like manner from time to time publish—

(*a*) such particulars of any dealer who is subsequently registered or whose registration is cancelled, as soon as may be after such registration or cancellation, and

(*b*) annually a consolidated list of modifications of the first list published under this section.

Payment of tax and returns.

10. (*1*) Tax payable under this Act shall be paid in the manner hereinafter provided at such intervals as may be prescribed.

(*2*) Such dealers as may be required so to do by the Commissioner by notice served in the prescribed manner and every registered dealer shall furnish such returns by such dates and to such authority as may be prescribed :

Provided that, if any dealer establishes to the satisfaction of the Commissioner that his average taxable turnover does not exceed ten *per centum* of his average gross turnover, the returns to be furnished by such dealer under this sub-section shall be annual returns.

(*3*) Before any registered dealer furnishes the returns required by sub-section (*2*), he shall, in the prescribed manner, pay into a Government Treasury or the Reserve Bank of India the full amount of tax due from him under this Act according to such returns, and shall furnish along with the returns a receipt from such Treasury or Bank showing the payment of such amount.

(*4*) If any dealer discovers any omission or other error in any return furnished by him, he may at any time before the date prescribed for the furnishing of the next return by him furnish a revised return; and if the revised return shows a greater amount of tax to be due than was shown in the original return, it shall be accompanied by a receipt showing payment in the manner provided in sub-section (*3*) of the extra amount.

Assessment of tax.

11. (*1*) If no returns are furnished by a registered dealer in respect of any period by the prescribed date, or if the Commissioner is not satisfied that the returns furnished are correct and complete, the Commissioner shall, within twelve months after the expiry of such period, after giving the dealer a reasonable opportunity of being heard, proceed in such manner as may be prescribed to assess to the best of his judgment the amount of tax due from the dealer.

The Bengal Finance (Sales Tax) Act, 1941.

(Sections 12, 13.)

(2) If upon information which has come into his possession, the Commissioner is satisfied that any dealer, who imports for sale any goods into Bengal or himself manufactures or produces any goods for sale, has been liable to pay tax under this Act in respect of any period and has nevertheless wilfully failed to apply for registration, the Commissioner shall, at any time within three calendar years from the commencement of this Act and thereafter within twelve months from the expiry of such period, after giving the dealer a reasonable opportunity of being heard, proceed in such manner as may be prescribed to assess to the best of his judgment the amount of tax due from the dealer in respect of such period and all subsequent periods; and the Commissioner may direct that the dealer shall pay by way of penalty in addition to the amount of tax so assessed a sum not exceeding one and a half times that amount.

(3) The amount of tax—

(a) due where the returns are furnished without receipt showing full payment thereof, or

(b) assessed under sub-section (1), less the sum, if any, already paid by the dealer in respect of the said period, or

(c) assessed under sub-section (2), together with the penalty directed to be paid under that sub-section,

shall be paid by the dealer into a Government Treasury or the Reserve Bank of India by such date as may be specified in a notice issued by the Commissioner for this purpose and the date to be so specified shall be not less than thirty days from the date of service of such notice:

Provided that the Commissioner may, in respect of any particular dealer and for reasons to be recorded in writing, extend the date of such payment or allow such dealer to pay the tax due and the penalty (if any) by instalments.

(4) Any amount of tax which remains unpaid after the date specified in the said notice shall be recoverable as an arrear of land-revenue.

(5) Any assessment made under this section shall be without prejudice to any prosecution instituted for an offence against this Act.

Refunds.

12. The Commissioner shall, in the prescribed manner, refund to a registered dealer applying in this behalf any amount of tax paid by such dealer in excess of the amount due from him under this Act, either by cash payment or, at the option of the dealer, by deduction of such excess from the amount of tax due in respect of any other period.

Accounts.

13. Every registered dealer or other dealer on whom a notice has been served to furnish returns under sub-section (2) of section 10, shall keep a true account of the value of goods bought and sold by him, and if the Commissioner considers that such account is not sufficiently clear and intelligible to enable him to make a proper check of the returns referred to in that sub-section, he may require such dealer by notice in writing to keep such accounts (including records of sales) as may be prescribed.

The Bengal Finance (Sales Tax) Act, 1941.

(Sections 14—18.)

Production and inspection of accounts and documents, and search of premises.

14. (*1*) The Commissioner may, subject to such conditions as may be prescribed, require any dealer to produce before him any accounts or documents, or to furnish any information, relating to the stocks of goods of, or purchases, sales and deliveries of goods by, the dealer as may be necessary for the purposes of this Act.

(*2*) All accounts, registers and documents relating to the stocks of goods of, or purchases, sales and deliveries of goods by, any dealer and all goods kept in any place of business of any dealer shall at all reasonable times be open to inspection by the Commissioner.

(*3*) If the Commissioner has reason to suspect that any dealer is attempting to evade payment of any tax under this Act, he may, for reasons to be recorded in writing, seize such accounts, registers or documents of the dealer as may be necessary, and shall grant a receipt for the same, and shall retain the same only for so long as may be necessary for examination thereof or for a prosecution.

(*4*) For the purposes of sub-section (*2*) or sub-section (*3*) the Commissioner may enter and search any place of business of any dealer.

Delegation of Commissioner's powers.

15. Subject to such restrictions and conditions as may be prescribed, the Commissioner may by order in writing delegate any of his powers under this Act [except those under section 18 and sub-section (*2*) of section 22] to any person appointed under section 3 to assist him.

Information to be furnished regarding changes of business.

16. If any dealer to whom the provisions of sub-section (*2*) of section 10 apply,—

(*a*) sells or otherwise disposes of his business or any part of his business or any place of business, or

(*b*) discontinues his business or changes his place of business or opens a new place of business, or

(*c*) changes the name or nature of his business

he shall within the prescribed time inform the prescribed authority accordingly ; and if any such dealer dies, his legal representative shall in like manner inform the said authority.

Tax payable by transferee of business.

17. When the ownership of the business of a registered dealer is transferred, any tax payable in respect of such business remaining unpaid at the time of the transfer shall be payable by the transferee as if he was the registered dealer ; and the transferee shall within thirty days of the transfer apply for registration under section 7.

Power to Commissioner to determine disputes.

18. If any question arises (otherwise than in a proceeding before a Court) whether or not for the purposes of this Act—

(*a*) any person or firm or any branch or department of any firm is a dealer, or

(*b*) any transaction is a sale or contract, or

(*c*) any particular goods purchased by a registered dealer are covered by his certificate of registration, or

(*d*) any tax is payable in respect of any particular sale or contract, or

(*e*) any goods or classes of goods should be specified in the certificate of registration of any dealer under sub-section (*3*) of section 7,

the Commissioner shall determine such question :

Provided that any such determination shall not affect the liability of any dealer under this Act in respect of any contract entered into or sale effected prior to such determination, unless the Commissioner is satisfied that the dealer has been wilfully evading or attempting to evade payment of tax in respect of any sale of, or contract for supply of, any goods to which such determination relates.

Bar to certain proceedings.

19. Save as is provided in section 21, no assessment made and no order passed under this Act or the rules made thereunder by the Commissioner or any person appointed under section 3 to assist him shall be called into question in any Civil Court, and save as is provided in section 20, no appeal or application for revision or review shall lie against any such assessment or order.

Appeal, revision and review.

20. (*1*) Within sixty days from the receipt of a notice issued under sub-section (*3*) of section 11, any dealer may in the prescribed manner appeal to the prescribed authority against such assessment :

Provided that no appeal shall be entertained by the said authority unless he is satisfied that such amount of tax as the appellant may admit to be due from him has been paid.

(*2*) Subject to such rules of procedure as may be prescribed, the appellate authority, in disposing of any appeal under sub-section (*1*), may—

(*a*) confirm, reduce, enhance or annul the assessment, or ;

(*b*) set aside the assessment and direct the assessing authority to make a fresh assessment after such further inquiry as may be directed.

(*3*) Subject to such rules as may be prescribed and for reasons to be recorded in writing, the Commissioner upon application or of his own motion may revise any order passed under this Act or the rules thereunder by a person appointed under section 3 to assist him, and subject as aforesaid, the Board of Revenue may, in like manner, revise any order passed by the Commissioner :

Provided that before rejecting any application for the revision of any such order the Commissioner or the Board of Revenue, as the case may be, shall consider it and shall record reasons for such rejection.

(*4*) Subject to such rules as may be prescribed, any order passed under this Act or the rules made thereunder by any person appointed under section 3 may be reviewed by the person passing it.

(*5*) Before any order is passed under this section which is likely to affect any person adversely, such person shall be given a reasonable opportunity of being heard.

Statement of case to High Court.

21. (*1*) Within sixty days from the passing by the Board of Revenue of any order under sub-section (*3*) of section 20 affecting any liability of any dealer to pay tax under this Act, such dealer may, by application in writing accompanied by a fee of one hundred rupees, require the Board to refer to the High Court any question of law arising out of such order.

(*2*) If, for reasons to be recorded in writing, the Board of Revenue refuses to make such reference, the applicant may, within thirty days of such refusal, either—

(*a*) withdraw his application (and if he does so, the fee paid shall be refunded), or

(*b*) apply to the High Court against such refusal.

The Bengal Finance (Sales Tax) Act, 1941.

(Section 22.)

(3) If upon the receipt of an application under clause (b) of sub-section (2), the High Court is not satisfied of the correctness of the Board's decision, it may require the Board to state the case and refer it, and on the receipt of such requisition, the Board shall state and refer the case accordingly.

(4) If the High Court is not satisfied that the statements in a case referred under this section are sufficient to enable it to determine the question raised thereby, it may refer the case back to the Board of Revenue to make such additions thereto or alterations therein as the Court may direct in that behalf.

(5) The High Court upon the hearing of any such case shall decide the question of law raised thereby, and shall deliver its judgment thereon containing the grounds on which such decision is founded, and shall send to the Board of Revenue a copy of such judgment under the seal of the Court and the signature of the Registrar, and the Board shall dispose of the case accordingly.

(6) Where a reference is made to the High Court under this section, the costs (including the disposal of the fee) shall be in the discretion of the Court.

(7) The payment of the amount, if any, of tax due in accordance with the order of the Board of Revenue in respect of which an application has been made under sub-section (1) shall not be stayed pending the disposal of such application or any reference made in consequence thereof, but if such amount is reduced as the result of such reference, the excess tax paid shall be refunded in accordance with the provisions of section 12.

4. Compensation shall be payable for any damage to persons or property or interference with rights or privileges arising from such field firing and artillery practice including expenses reasonably incurred in protecting person, property, rights and privileges. Such compensation shall include compensation for exclusion or removal from any place declared to be a danger zone of persons or domestic animals and also compensation for any loss of employment or deterioration of crops resulting from any such exclusion or removal.

Where any such notice has been given the Collector of 24-Parganas shall constitute a commission consisting of himself as Chairman, a person nominated by the Officer Commanding the forces engaged in such practice and two persons nominated by the district board of 24-Parganas and the commission shall decide all appeals of which notice has been given. RESOLUTION—No. 1568Medl.

Calcutta, the 24th June 1941.

The Homeopathic system of medicine having attained wide popularity in the province, it was considered by Government in the interest of the public to regulate the profession.

Accordingly a conference of representative Homeopathic practitioners of Calcutta was convened by the Hon'ble Minister in 1937 to consider the question of establishing a General Council and State Faculty of Homeopathic Medicine in Bengal. The conference unanimously supported the proposal and agreed that a General Council and State Faculty of Homeopathic Medicine on the lines of the General Council and State Faculty of Ayurvedic Medicine should be established as early as possible in Bengal with the object of stimulating a systematic study of the Homeopathic system of medicine and of differentiating trained Homeopathic practitioners from the untrained ones.

2. Government accepted the recommendation of the conference on the distinct understanding that the scheme would not involve financial liability on Government.

3. A set of statutes has since been drawn up in consultation with a representative committee of Homeopathic practitioners of Calcutta, for the constitution and guidance of the proposed Council and Faculty.

4. A donation of Rs. 6,850 has so far been received from the promoters of the scheme and further donations are expected to be received after the scheme is put into operation.

These donations together with the receipts from the registration of Homeopathic practitioners are expected to be sufficient to meet the capital and the recurring cost of establishing and maintaining the Council.

5. In the circumstances stated above Government are pleased to promulgate the enclosed statutes of the General Council and State Faculty of Homeopathic Medicine on the clear understanding that no financial assistance will be expected from Government for the maintenance of the Council and Faculty.

6. The main functions of the Council will be—

(*a*) to regulate the standard of instruction in Homeopathic medicine,

(*b*) to hold examination of candidates trained in recognised Homeopathic institutions,

(*c*) to grant certificates or diplomas to successful candidates,

(*d*) to maintain a register of qualified Homeopathic practitioners.

7. Government take this opportunity of expressing their appreciation of the assistance rendered by the promoters of the scheme.

Ordered that a copy this resolution be published in the *Calcutta Gazette*.

By order of the Governor,

T. I. M. NURANNABI CHAUDHURI,

Secy. to the Govt. of Bengal.

N.B.—Any high, middle or training school for girls will be permitted to open training centres for the Needlework Diploma provided the authorities of the school apply for permission to the Inspectress of Schools, Presidency and Burdwan Divisions, at least six months before they actually intend to open the training centre and provided the Inspectress is satisfied with the arrangements made by the authorities of the school.

Return of Taxable Turnover.

17. (1) During the first three years after the commencement of the Act every dealer whose taxable turnover, in the opinion of the Commissioner, is not likely to exceed 10 per cent. of his gross turnover shall furnish a return in Form III annually; dealers whose business is managed by a firm of Managing Agents shall furnish the return within sixty days from the expiry of the year, and other dealers within thirty days from the expiry of the year.

18. After the expiry of three years from the commencement of the Act every dealer whose taxable turnover does not exceed 10 per cent. of his gross turnover calculated over the latest three years for which figures are available shall furnish returns in Form III annually; dealers whose business is managed by a firm of Managing Agents shall furnish the return within sixty days from the expiry of the year, and other dealers within thirty days from the expiry of the year.

19. When the taxable turnover of any dealer referred to in rule 18 exceeds in any year 10 per cent. of the average gross turnover calculated in the manner provided in rule 18, the Assistant Commissioner may fix fresh return-periods for such dealer, but ordinarily he shall not reduce the return-period unless he is satisfied that the excess over 10 per cent. is likely to continue.

20. Every dealer other than those for whom annual returns are prescribed in rules 17 and 18 who satisfies the Commissioner that he is not accustomed to make up a statement of accounts of sales more often than half-yearly shall furnish a return in Form III half-yearly; dealers whose business is managed by a firm of Managing Agents shall furnish the return within sixty days from the expiry of each half-year, and other dealers within thirty days from the expiry of the half-year.

21. Every dealer, other than those referred to in rules 17 and 20, whose annual gross turnover in the opinion of the Assistant Commissioner is likely to exceed two lakhs of rupees shall furnish a return in Form III quarterly, within thirty days from the expiry of each quarter:

Provided that the Commissioner may, for reasons to be recorded in writing, fix quarterly returns for any other class of dealer also.

22. Subject to the provisions of rule 24 the return-periods fixed for any dealer under rules 20 and 21 shall remain in force for not less than three years and thereafter shall continue to remain in force until the Assistant Commissioner fixes a different return-period in accordance with these rules.

23. The Commissioner or any other officer authorised to take action under rules 17, 19, 21, 30 or 32 shall, in exercising his discretion under those rules, pay due regard to such figures of the dealer's turnover for the three years immediately preceding as may be available to him.

24. If the Assessing-authority finds it impracticable to make a proper check of the returns furnished by any dealer under rule 20 or rule 21 he may for reasons to be recorded in writing direct such dealer to furnish the returns at such lesser intervals as he may consider necessary for the purpose.

25. Every dealer, other than those whose return-periods have been fixed under rules 17, 20 or 21 shall furnish a return in Form III for each month by such date within the following month as may be specified in his Certificate of Registration.

26. (*1*) All returns in Form III which are required to be furnished under these rules shall be signed by the dealer or by some responsible person on his behalf, and shall be sent to the appropriate Commercial Tax Officer.

27. Returns furnished by any dealer for whom the Commercial Tax Officer is not the Assessing-authority shall be scrutinized by the Commercial Tax Officer and forwarded to the Assistant Commissioner as soon as possible together with such remarks, if any, as the Commercial Tax Officer may think fit to make.

28. If any dealer shows to the satisfaction of the Commissioner that no sales made by him are liable to tax under the Act and makes an application in this behalf, the Commissioner may direct that it shall not be necessary for such dealer to furnish any return in Form III and may grant the dealer a certificate in Form IV.

29. (*1*) A certificate granted to any dealer under rule 28 shall be valid till the end of the year of issue and thereafter may be renewed annually for one year at a time upon receipt of an application from the dealer accompanied by an affidavit that the business of the dealer continues to be such that no sales effected by him are liable to tax under the Act.

(*2*) Applications for renewal under sub-rule (*1*) should be made before the date when the certificate will expire, and applications which are received after such date are liable to be rejected.

(*3*) Applications for the issue or renewal of certificates in Form IV shall be made to the appropriate Commercial Tax Officer, and particulars of all such applications shall be entered in Register XIX.

Payment of Tax.

30. If in the opinion of the Commissioner the annual tax payable by any dealer for whom annual return-periods have been prescribed is not likely to exceed Rs. 500, such dealer shall pay tax annually before furnishing the return in Form III.

31. (*1*) Every dealer other than a dealer referred to in rule 30 for whom annual return-periods are prescribed and every dealer for whom half-yearly return-periods are prescribed shall pay tax quarterly in the manner prescribed in sub-rules 32 to 35 (inclusive).

32. The Commercial Tax Officer shall estimate the amount of tax payable by the dealer for the whole year, and shall communicate the same to the dealer.

33. (*a*) Within ten days from the expiry of any quarter for which no return in Form III is required to be furnished the dealer shall pay one-fourth of the amount estimated under rule 32; and

(*b*) before furnishing the return in Form III he shall pay such further amount as will make the sum of his tax payments for the whole return-period equal to the amount which is shown in the return to be payable for such period, whether this sum is greater or less than the amount estimated under rule 32.

34. The estimate under rule 32 shall be communicated to the dealer by a notice in Form V not less than fifteen days before the expiry of the first quarter of the year to which it relates.

35. An estimate shall not be changed during a year, and shall remain in force until a fresh estimate is communicated in the manner provided in rule 34.

(*2*) Challans for the purpose of making payment shall be obtainable at any Government Treasury or at the office of any Commercial Tax Officer.

(*3*) Challans shall be filled up in triplicate. One copy of such challan shall be retained by the Treasury, and the other two copies shall be returned to the dealer, duly signed, as proof of payment.

39. (*1*) Every Assessing-authority shall maintain Registers XIII, XIV and/or XV, as may be required, in which he shall record the receipt of every challan produced in accordance with rule 43 or rule 44 in proof of payment of tax by any dealer for whom he is the Assessing-authority.

40. Payments by any dealer who is to pay tax annually shall be noted in Register XIII.

41. Payments by any dealer who is to pay tax quarterly shall be noted in Register XIV which shall be kept in three sections:—

XIVA for dealers who furnish annual returns;

43. (*1*) Every dealer referred to in rules 30, 36 and 37 shall attach one copy of the receipted challan to the return in Form III when presenting the return to the Commercial Tax Officer.

44. Every dealer referred to in rule 31—

(*a*) shall send to the appropriate Commercial Tax Officer the receipted challans relating to payments made in accordance with clause (*a*) of rule 33 within fifteen days of the expiry of the quarter for which the payment is made; and

(*b*) shall attach to the return in Form III the receipted challan in respect of the payment referred to in clause (*b*) of rule 33.

45. The Commercial Tax Officer shall forward to the Assistant Commissioner all challans which are received from any dealer for whom the Commercial Tax Officer is not the Assessing-authority.

46. Every registered dealer may deduct from his gross turnover of the first year during which he is liable to pay tax such sum as is shown to the satisfaction of the Assessing-authority to have been due to the dealer on the date on which he became liable to tax under sub-section (*1*) or (*2*) of section 4 or under sub-section (*3*) of section 8, on account of sales of goods effected on or before such date.

47. The sum which the dealer claims to deduct under rule 46 shall be reported to the appropriate Commercial Tax Officer within one month of the date from which the dealer becomes liable to tax.

48. The Commercial Tax Officer shall forward to the Assistant Commissioner any claim which is made under rule 47 by any dealer for whom the Commercial Tax Officer is not the Assessing-authority.

Assessment to tax and/or penalty under section 11.

49. (*1*) When it appears to an Assessing-authority to be necessary to make an assessment under section 11 in respect of any dealer he shall serve a notice in Form VI upon him setting forth—

NOTIFICATION.

No. 8041.—8th July 1941.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL COURT OF WARDS (AMENDMENT) BILL, 1941.

A

BILL

further to amend the Court of Wards Act, 1879.

WHEREAS it is expedient further to amend the Court of Wards Act, 1879, for the purposes and in the manner hereinafter appearing; Ben. Act IX of 1879.

It is hereby enacted as follows :—

Short title. **1.** This Act may be called the Bengal Court of Wards (Amendment) Act, 1941.

Amendment of section 3 of Bengal Act IX of 1879. **2.** In section 3 of the Court of Wards Act, 1879 (hereinafter referred to as the said Act), before the definition of "Collector" the following definition shall be inserted, namely :—

"Civil Court" includes the High Court in Calcutta in the exercise of its ordinary and extraordinary original civil jurisdiction or its civil appellate or revisional jurisdiction;".

Repeal of section 56. **3.** Section 56 of the said Act is hereby repealed.

Retrospective effect. **4.** The amendments made by sections 2 and 3 shall have effect in respect of all suits or proceedings including proceedings in execution which are pending on the date of commencement of this Act.

STATEMENT OF OBJECTS AND REASONS.

The High Court of Calcutta at the hearing by a Special Bench of the case of Anath Nath Bose *vs.* Maharaja Srischandra Nandy decided on the 4th of March 1941 that Section 10C of the Court of Wards Act, 1879, had no application to the High Court as the expression "Civil Court" appearing in the different sections of the Court of Wards Act, 1879, means a Civil Court other than the High Court. The effect of this decision has been to take away all protection from the Wards' estates in respect of decrees or orders passed against them by the Original or Appellate Side of the High Court—a position which will largely frustrate the object for which the Legislature enacted Section 10C of the Court of Wards Act, 1879, in 1936.

The object of this Bill is to make the provisions of Section 10C of the Act, applicable in respect of execution of decrees or orders passed by the High Court with retrospective effect in regard to all pending suits or proceedings including proceedings in execution.

(*3*) In making any rule under sub-section (*1*) or sub-section (*2*), the Provincial Government may provide that any person committing a breach thereof shall, on conviction, be punishable with fine which may extend to one hundred rupees.

STATEMENT OF OBJECTS AND REASONS.

In order to finance the carrying out of measures for the stabilisation of jute prices, the improvement of marketing and generally to further the interests of the jute-growers of the province and of the industry as a whole, considerable sums of money are required which cannot be found out of ordinary revenues. The object of this Bill is to provide funds for these purposes and it is intended to earmark the proceeds of this tax for such expenditure.

It has been estimated that the amount required will not be less than Rs. 50 lakhs and this tax at the rate of annas two per maund is expected to yield a gross revenue of about that sum in a normal year.

In the course of its progress from the grower to the ultimate consumer in Bengal, jute passes through several hands and is the subject of a series of sales and purchases. It is not intended that every such sale and purchase should be taxed. The intention is that only one such sale or purchase shall be liable to the tax.

For practical reasons and for administrative convenience it is proposed to tax only what may be called the " final " transaction. That is to say, to impose and collect the tax at the stage where—

(*a*) it is delivered to a jute-mill to be used in the manufacture of jute goods, or

(*b*) it is delivered to the shipper in the form of " pucca " bales for supply to consumers overseas.

In such case it is more convenient to collect the tax from the final purchaser in Bengal, *i.e.*, the jute-mill owner or the shipper, and it is also easier to detect and prevent evasions of the tax at these two points. The Bill is accordingly designed to provide for this.

Office of the Secretary to His Excellency the Governor of Bengal.

NOTIFICATION.

No. 159H.—12th July 1941.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

NOTIFICATION.

Simla, the 28th June 1941.

No. 103-H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officers:—

Name of officer and rank.	Statement of services for which the decoration has been awarded.
Bengal.	
1. Sultan Ahmad, Assistant Sub-Inspector of Police (*deceased*).	On receipt of secret information, the Assistant Sub-Inspector with a party of Police raided a house where an absconder was reported to be hiding. The Police party was attacked by the absconder and his brothers, all of whom were fully armed, and although seriously wounded by a spear blow, the Assistant Sub-Inspector with conspicuous courage succeeded in arresting the absconder. He succumbed to his injuries after six days in hospital.
2. Ahmad Ghazi, Constable, Khulna District.	This Constable was deputed to prevent a breach of the peace at a place some distance from his station, and found on arrival two large mobs of Namasudras and Muhammadans preparing to attack one another. Realising that it would be impossible to disperse them without force, he assembled all available dafadars and chaukidars and showed conspicuous gallantry in facing the mobs unarmed until the arrival of a Sub-Inspector with a force two and a half hours later. He thus succeeded in delaying a riot at great personal risk, and enabled a Police force to handle the situation.

Name of officer and rank.	Statement of services for which the decoration has been awarded.
3. Shamsuddin Ahmad Chaudhuri, Sub-Inspector of Police (*deceased*).	On receiving information that a tiger was doing considerable damage near the border of his Station, this Sub-Inspector, in spite of a leg injury sustained on the previous day, immediately set out for the place with two Constables and a villager. On arrival, the villager was mauled by the tiger, and the Sub-Inspector after firing two shots from a tree got down and followed the wounded animal, disregarding the personal risk he was running. Unfortunately at this moment another villager fired a round of buck-shot, whereupon the tiger sprang upon the Sub-Inspector, and mauled him fatally. The Sub-Inspector, actuated by the sole desire of destroying the animal which was causing so much panic in the locality, showed great courage and self-sacrifice.

These awards are made for gallantry under regulation (*d*) (*i*) of the Regulations governing the grant of the Indian Police Medal and consequently carry with them the special allowances admissible to officers of and below the rank of Inspector of Police.

6. The licence shall show—

(*i*) the name of the dealer;

8. No class of business, other than that specified in the licence, may be carried on at any licensed premises.

9. If the dealer is accustomed to sell motor spirit for purposes of aviation at any of his places of business—

(*a*) to any civil or military authority, or

the licence for that place of business shall be endorsed accordingly.

10. If any application for a licence is refused the Commercial Tax Officer shall record in writing the reasons for such refusal.

11. No fee shall be payable for the issue of any licence under rule 5 or for amending any licence under rules 7 or 30.

14. (*1*) Every retail dealer shall keep correct accounts in Form C of the daily retail issues of motor spirit from his stock. The accounts of each day shall be made up and totalled before the close of the following day. If the dealer keeps a pump for delivering motor spirit, the reading of the pump issue-meter at the end of each day shall also be entered in the accounts for that day. For the purpose of this rule "day" means a period of 24 hours beginning and ending at midnight.

(2) A retail dealer who is also a wholesale dealer and who makes wholesale issues in bulk and retail issues from the same tank or other container shall keep accounts in Form C, but it shall not be necessary for him to make entries in any column other than columns 5, 6 and 7.

(3) Accounts in Form C shall be preserved by the dealer for a period of two years.

15. Every retail dealer who is not also a wholesale dealer shall send to the appropriate Commercial Tax Officer by the 25th day of every month a return in Form D of the retail issues of the previous month from each of his supply stations.

16. Every retail dealer shall pay the tax direct into the appropriate Government Treasury; no payment of any tax or penalty shall be accepted at the office of the Commissioner or any Assistant Commissioner or any Commercial Tax Officer.

18. (2) A wholesale dealer who offers to pay the tax in advance under section 3(2) of the Act shall furnish such returns as may be agreed upon between him and the Commissioner.

19. Every retail dealer shall attach one copy of the receipted challan to the return in Form D or Form E, as the case may be, when he sends it to the Commercial Tax Officer.

20. An allowance for loss of motor spirit by evaporation from the stocks of a retail dealer may be made up to a limit of 1 per cent. of the total amount of spirit received in any month if the supply has been made from a tank-cart or lorry, and up to a limit of 2 per cent. of the amount received if the supply has been made from casks or cans.

21. If the Commercial Tax Officer is satisfied that the leakage has actually exceeded the limits prescribed in rule 20 he may for reasons to be recorded make a larger allowance equal to the actual amount of the leakage; but he shall not make such larger allowance for more than three months in any year without the sanction of the Assistant Commissioner.

22. If any dealer whose licence is not endorsed under rule 9 claims exemption from any amount of tax in respect of a sale of motor spirit for purposes of aviation he shall attach to the relevant return in Form D a certificate from the pilot concerned, stating the registration number of the aircraft supplied with motor spirit, the quantity supplied and the place and date of such supply.

23. When it appears to any Commercial Tax Officer to be necessary to take any action under section 7 in respect of any dealer he shall serve a notice in Form F upon him specifying—

(*a*) the amount of tax or additional tax, as the case may be, which such dealer is required to pay;

(*b*) the period in respect of which such tax is payable; and

(*c*) the grounds upon which the demand is made;

and he shall fix a date not less than ten days after the date of the service of the notice for considering any objection which the dealer may wish to prefer.

24. A dealer who has been served with a notice under rule 23 may prefer any objection personally or through a duly authorised agent or he may send it in writing.

25. After considering any objection which may be made by the dealer, or after the expiry of the date fixed under rule 23, the Commercial Tax Officer shall determine what amount of tax is payable by the dealer.

26. If the Commercial Tax Officer determines that any tax is payable he shall serve a notice of demand in Form G upon the dealer requiring him to pay into the appropriate Government Treasury by the date specified in the notice the amount determined to be payable, and warning him that if the amount is not paid he will become liable to pay in addition an equal amount by way of penalty.

27. (*1*) If the dealer does not pay by the date specified the amount determined under rule 26 together with the amount of penalty imposed, if any, the Commercial Tax Officer shall apply to the Collector of the area in which is located the dealer's place of business or chief place of business, as the case may be, for recovery of the whole amount of tax and penalty, if any, remaining unpaid as an arrear of land revenue.

(*2*) After taking the necessary action the Collector shall report to the Commercial Tax Officer what amount has been recovered and the date on which recovery has been made.

(*3*) On receipt of the Collector's report the Commercial Tax Officer shall make necessary entries in the appropriate columns of Register II.

34. The Commissioner shall be the authority to determine any dispute which may arise under section 12 whether any dealer is liable to pay any tax or penalty.

35. The Commissioner shall be the authority under section 17(*1*) of the Act to sanction the institution of any criminal proceedings.

36. The Commissioner may compound any offence punishable under the Act or any rule and may accept the money payable by the dealer by way of composition for such offence.

37. (*1*) When the Commissioner accepts under rule 36 any sum from any dealer by way of composition of any offence he shall issue an order in Form K directing the officer in charge of the appropriate Government Treasury to receive on his behalf the sum specified in the order, and he shall make one copy of the order over to the dealer for presentation at the Treasury at the time of payment and shall send another copy to the Treasury Officer, and a third copy to the appropriate Commercial Tax Officer.

(2) No fee shall be payable upon any application for refund.

(3) The Commercial Tax Officer shall sanction the refund of such amount as he is satisfied is due to be refunded.

39. When an order for refund has been passed under rule 38 the Commercial Tax Officer shall, if the dealer desires payment in cash, issue a Refund Payment Order (Cash) and shall make it over to the dealer for encashment at the appropriate Government Treasury and shall send an advice of the order to the Treasury Officer.

40. If the dealer desires payment by adjustment against any amount subsequently payable by him the Commercial Tax Officer shall issue a Refund Adjustment Order authorising the dealer to deduct the sum to be refunded from the amount payable in respect of the next return to be submitted in Form D.

41. Particulars of application for refund and of the orders passed thereon shall be recorded in Register L.

Amendments.

1. In rule 2 of the said rules after the definition of "the Act" *insert* the following:—

"*(ia)* 'Chief Controller of Jute Regulation' means the person appointed by the Provincial Government to be the Chief Controller of Jute Regulation or to exercise all or any of the functions of the Chief Controller of Jute Regulation under these rules and includes every person who for the time being performs the duties of that office.

Note 1.—With the approval of the Provincial Government, all the functions of the 'Director of Land Records' under the Act have been delegated to the Chief Controller of Jute Regulation.

Note 2.—By notification No. 363Agri. T.A.I., dated the 5th October 1940, issued by the Provincial Government the Chief Controller of Jute Regulation has been empowered to exercise all the functions of a Collector under the Act."

2. After rule 21 of the said rules *insert* the following new rules:—

"21A. *(1)* As soon as may be after the authentication of the record under sub-section *(1)* of section 5 of the Act the Chief Controller of Jute Regulation or any servant of the Crown authorised by him in this behalf shall cause a notice in Form No. 3(b) to be published in each mauza in the manner laid down in rule 13, and thereupon any grower of jute or his successor-in-interest in the area, who claims that any entry in the final record is incorrect or that any entry of land or the nature thereof has been improperly omitted from the final record, may within one year from the date of authentication apply to the Collector or to a servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf

to have the same duly rectified and thereupon the Collector or the servant of the Crown so appointed shall make such inquiry as he may deem fit and if satisfied shall take steps to revise the record accordingly.

(*2*) The applications referred to in sub-rule (*1*) of this rule shall be filed in Form No. 7(a) which shall be available free of charge from the Office of the Assistant Inspector in charge of the Jute Regulation Circle and shall be accompanied by the relevant extract of the finally published record-of-rights or a certified copy thereof:

Provided that where this condition cannot be fulfilled the Collector or the servant of the Crown acting as such may, if satisfied, accept in lieu thereof such details as may be sufficient for the identification of the land and calculation of area.

(*3*) A fee of annas 4 in Court-fee stamps shall be paid in respect of each such application and no application unless duly stamped shall be entertained.

21B. (*1*) The application if admissible shall be entered in the Register of Applications (mauza by mauza in Form No. 30) and the person presenting the application shall be given a receipt in the form appended to Form No. 7(*a*).

(*2*) After the applications have been duly entered in the Register the Collector or the servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf, shall, as soon as may be, cause a notice in Form No. 9(a) to be served on the applicant specifying therein at least seven days in advance the date, the hour and the place where an inquiry shall be held.

(*3*) Upon a notice in Form No. 9(a) being duly served on the applicant, it shall be the duty of the applicant to attend at the time and place fixed either personally or by an authorised agent and produce all the documents that may be necessary for the purpose of the inquiry and thereafter to appear every day or the days fixed for the purpose until the application has been finally disposed of. If the applicant or his agent does not so attend, the application may be disposed of in his absence on such evidence as may be available.

(*4*) The notice in Form No. 9(*a*) shall be issued in duplicate. One copy shall be left with the applicant or his authorised agent or in their absence shall be hung in a conspicuous place where he ordinarily resides, and on the other copy the signature or thumb impression of the applicant

or his authorised agent along with the signature or thumb impression of the person or persons in whose presence the notice is served shall be taken as token of service and this second copy shall be kept with the record.

21C. (*1*) On the date and at the time and place fixed the Collector or the servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf or any person deputed by either of them to hold an inquiry shall examine the application, hear the parties and after taking such evidence as may be available and after making such local inquiry as may be necessary, shall record on the reverse of the application a précis of the evidence and the result of the local inquiry, if any.

(*2*) If the inquiry be held by the Collector or by a servant of the Crown acting as such he shall record a decision thereon but if by a person other than either of them, he shall merely submit a report to the authority who ordered the inquiry:

Provided that the Collector may, if necessary, revise any order passed by a servant of the Crown acting as such irrespective of whether the order be on an application received by the latter direct or one sent to him by the Collector for final disposal.

(*3*) If as a result of inquiry it is found that an incorrect entry has been made or an omission has taken place in the final record, the Collector or the servant of the Crown acting as such shall direct the recording officer of the area concerned or shall himself take steps to correct the entry or make good the omission and thereupon the recording officer, if so directed, shall do the needful and shall, if required, report of his having done so.

21D. In the case of an application to have any land specially recorded under the provisions of sub-section (*2*) of section 3 of the Act, careful local inquiry shall be made to ascertain the nature of the land and its suitability to grow any crop other than jute.

No such application shall be granted unless the applicant has produced satisfactory evidence that the land in question is liable to early floods or strong currents which make it unsuitable, during the Kharif season for the growing of any crop other than jute, that on the land in question during the Kharif season no other crop can be profitably grown except jute and that, in fact, during the same season no other crop was grown on the land in any of the preceding five years.

Unless all these facts are established by satisfactory evidence the application shall be rejected.

21E. A certificate of service of notice in Form Nos. 3(*b*) and 9(*a*) signed by an officer of the department not below the rank of an Assistant Inspector and filed with the mauza records, shall be conclusive evidence of the publication of such notice in respect of the person or persons specified in the said notice."

No. 823L.- 12th July 1941.—The Governor having been pleased to order, under rule 48 of the Bengal Legislative Council Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL PATNI TALUKS REGULATION (AMENDMENT) BILL, 1941.

A

BILL

further to amend the Bengal Patni Taluks Regulation, 1819.

WHEREAS it is expedient further to amend the Bengal Patni Taluks Regulation, 1819, for the purposes and in the manner hereinafter appearing ; Ben. Reg. VIII of 1819.

It is hereby enacted as follows :—

Short title. **1.** This Act may be called the Bengal Patni Taluks Regulation (Amendment) Act, 1941.

Amendment of section 6B of Bengal Regulation VIII of 1819. **2.** In section 6B of the Bengal Patni Taluks Regulation, 1819—

(*1*) in clause (*a*) for the words "distribution of rent payable in respect of a *patni taluk*" the words "division of a *patni taluk* or the distribution of the rent payable in respect thereof" shall be substituted ;

(*2*) for clause (*b*) the following clause shall be substituted, namely :—

"(*b*) every co-sharer proprietor of a joint undivided *patni taluk* may at his option apply either in the manner provided in section 88 of the Bengal Tenancy Act, 1885, to a competent Civil Court for a division of such *taluk* or for the partition of such *taluk* according to the provisions of the Estates Partition Act, 1897, which Act shall apply *mutatis mutandis* to such partition : VIII of 1885. Ben. Act V of 1897.

Provided that every application for partition of a *patni taluk* under the Estates Partition Act, 1897, shall contain the name and address of the *zamindar* of such *taluk* and no partition of a *patni taluk* and no order for distribution of rent payable in respect of such *taluk* shall be made under the said Act without notice on the *zamindar* of such *taluk*, and that no such order shall be made which would result in bringing the rent for any portion of such *taluk* below fifty rupees."

STATEMENT OF OBJECTS AND REASONS.

There are the following defects in the new section 6B of the Bengal Patni Taluks Regulation, 1819, as inserted by the Amending Act of 1940, *viz.* :—

(*i*) No division of a *patni taluk* will be valid if it is made amicably between the co-sharers with the consent of the *zamindar* as provided for in the case of a tenure or holding by section 88 of the Bengal Tenancy Act, 1885.

(*ii*) The section does not also make it clear that a division of a *patni taluk* through a Civil Court will be binding on the *zamindars* as has been provided for in the case of a tenure or holding by section 88(*2*) of the Bengal Tenancy Act, 1885.

The present Bill seeks to remove these defects.

DEPARTMENT OF AGRICULTURE, BENGAL.

PRELIMINARY FORECAST OF THE JUTE CROP OF BENGAL, 1941.

[NOTE.—On an average of the five years ending 1938-39, the areas under jute in the Province of Bengal and the Bengal States to which this forecast relates, represent some 80·2 and 1·2 per cent. respectively of the total area under jute in India.]

The preliminary forecast deals with area sown and the condition of the crop at the time of publication of the forecast. It is not a forecast of outturn. With the coming into force of the Bengal Jute Regulation Act, 1940, the previous methods of estimating the acreage under jute have been superseded. The area shown for the present season is the actual licensed acreage which is one-third of the acreage recorded in 1940 under the Bengal Jute Regulation Act with minor modifications.

Area sown in 1941.—In Bengal, excluding the States of Cooch Behar and Tripura, the returns for the licensed acreage show a total area of 1,633,900 as against 4,938,850, the figures recorded in 1940 under the Bengal Jute Regulation Act. Cooch Behar and Tripura States report an acreage of 55,600 as against 63,100 (revised) in 1940.

Character of the season.—Moderate rainfall in mid-February facilitated the preparation of lands in most of the North and East Bengal districts. But a spell of hot and dry weather followed and as a result sowings were delayed and little progress could be made until the middle of April. Shortly after the completion of sowings, heavy and continuous rains set in and the excessive fall during the first part of May and again from the end of May to the middle of June had an adverse effect on the growth of the crop. Due to excessive rainfall, floods and cyclone, the crop particularly in the low lands in East and North Bengal districts is reported to have suffered damage the extent of which is said to be serious in Noakhali, Rangpur, Bakarganj, Jalpaiguri and fairly heavy in Mymensingh and Tippera and to a little extent in the remaining districts. The high land crop has been doing fairly well and a spell of strong sunshine is now urgently necessary. The condition of crop in the Daisee tracts is fairly good.

Present state of the crop.—The present condition of the crop is generally fair.

Stock.—There is considerable stock in the hands of cultivators in Dacca Division and some is reported from most of the other districts.

Director of Agriculture, Bengal.

DEPARTMENT OF AGRICULTURE, BIHAR.

PRELIMINARY FORECAST OF THE JUTE CROP OF BIHAR, 1941.

[NOTE.—On an average of the five years ending 1938-39, the area under jute in Bihar to which this forecast relates has represented some 10·9 per cent. of the total area under jute in India.]

The present forecast deals only with the estimated area sown. It gives also a general survey of prospects but makes no reference to the probable outturn either in percentage figures or in bales.

2. **Acreage.**—I estimate the area sown during the current and four preceding years, in round numbers, as follows:—

Year.	Acres.
1937	445,000
1938	315,500
1939	265,500*
1940	282,200
1941	237,400

*Revised.

3. **Weather conditions.**—In March scanty showers fell in all the Jute districts. In April rainfall was light and below the normal in all the jute-growing districts. In May heavy rain fell in Purnea and moderate elsewhere. The fall was above the normal everywhere except in Bhagalpur and the Santal Parganas where it was slightly below the normal. In June rainfall was general throughout the jute districts. The weather conditions were favourable. Sowings were normal.

4. **District returns.**—Last year's area under jute was finally estimated at 282,200 acres. The total area under jute this year is estimated by the District Officers, in round figures, at 237,400 acres. The decrease in area is due mainly to propaganda undertaken for reducing the cultivation in Purnea and also to some extent to the fluctuating market of the crop last year.

5. **Condition and prospects.**—The present condition of the crop is good. Its weeding in Purnea has however been retarded on account of excessive rain.

6. **General.**—The quantity of jute which remains in the province from the crops of 1940 is reported to be not much on the whole.

The statement below compares the estimated area under jute in this province this year with the preliminary and final figures of last year:—

DEPARTMENT OF DEVELOPMENT, ORISSA.

PRELIMINARY FORECAST OF THE JUTE CROP OF ORISSA, 1941-42.

[NOTE.—On an average of the five years ending 1938-39 the area under jute in Orissa to which this forecast relates, represents about 0·6 per cent. of the total area under jute in India.]

The present forecast deals only with the estimates of area sown and the condition of the crop up to the first week of June. It makes no reference to the probable outturn either in percentage figure or in bales.

Acreage.—The total area sown is estimated in round figures at 15,700 acres against 28,400 acres in the last year. Sowing is still in progress in all the districts.

Character of the season.—The rainfall in April and May was below the normal in all the three districts—Cuttack, Balasore and Puri. The low acreage under the crop is due to deficiency in rainfall and fall in the price of the fibre.

Condition and prospects.—The present condition of the crop is fair. The stocks in the hands of the cultivators are reported to be very small.

The statement below compares the estimated area under Jute this year with preliminary and final figures of last year:—

DEPARTMENT OF AGRICULTURE, ASSAM.

PRELIMINARY FORECAST OF THE JUTE CROP OF ASSAM, 1941.

[NOTE.—On the average of the five years ending 1938-39, the area under jute in Assam represents some 6·9 per cent. of the total area under jute in British India.]

1. **Season.**—The weather generally has been unfavourable for the cultivation and growth of the crop. Heavy and incessant rainfall from the middle of April and in May was injurious to the young plants. Flood due to the rise of local rivers caused considerable damages to the crop almost in all districts. The present condition of the crop is generally not good, and the prospects are worse than last year.

2. **Area sown.**—The total area under jute as estimated by the Deputy Commissioners is 270,000 acres against 343,400 acres (revised) of last year. There is a decrease in area in all districts except Sibsagar, where the area remains the same as in last year, and an increase in Lakhimpur.

3. **Stock.**—According to the reports of the Deputy Commissioners little jute remains in stock from last year's crop except in Kamrup.

Cachar (Plains) ..	200	300	200	..	100	None ..	Middle of April. Normal.	The decrease in area is due to heavy rainfall at sowing time. The weather has not been favourable for the cultivation and growth of the crop due to continuous rainfall which caused flood and damaged the crop in places.
Sylhet ..	13,000	42,100	35,000	..	6,200	Very little ..	First week of April. Normal.	The decrease in area is due to unfavourable weather at sowing time. Goalpara ..	60,000	110,000	105,000	..	5,000	Little ..	Last part of March. Normal.	The decrease in area is due to low price of jute last year. Drought followed by continuous rain has affected the cultivation and growth of the crop in some places. The present prospects of the crop are not good.
Kamrup ..	39,800	64,800	52,800	..	12,000	Some jute remains.	Early April. Normal.	The decrease in area is due partly to unfavourable weather at sowing time and partly to the low price of jute last year. The weather has not been favourable for the crop due to continuous rainfall which caused flood and damaged the crop in the low-lying areas. The present condition of the crop is not favourable.
Darrang ..	12,100	29,300	15,100	..	14,200	Little ..	First week of April. Normal.	The decrease in area is partly due to bad weather at sowing time and partly due to the low price of jute last year. The weather is not favourable for the crop and the present prospects are not good.

Heavy rainfall has also checked the growth of the crop considerably. The present condition of the crop is not favourable.
Sibsagar ..	300	900	900	..	..	....	Middle of April. Normal.	The weather was not favourable at sowing time but has improved since. The present prospects are fair.
Lakhimpur ..	700	4,100	5,200	1,100	..	....	Ditto ..	The increase in area is due to extension of cultivation. The weather has been favourable for the crop.
Garo Hills (Plains)	5,000	5,700	3,200	..	2,500	....	First week of May. Late.	The decrease in area is due partly to the unfavourable weather and partly to the low price of jute last year. THE BENGAL CRIMINAL LAW (INDUSTRIAL AREAS) AMENDMENT BILL, 1941.

A

BILL

to prevent theft of unidentifiable articles in industrial areas.

WHEREAS it is expedient to prevent theft of unidentifiable articles in industrial areas ;

It is hereby enacted as follows :—

Short title and extent.

1. (*1*) This Act may be called the Bengal Criminal Law (Industrial Areas) Amendment Act, 1941.

(*2*) It extends to the whole of Bengal.

(*3*) This section shall come into force at once and the remaining provisions of this Act shall come into force in such areas and on such dates as the Provincial Government may, by notification in the *Official Gazette*, specify in this behalf and for this purpose different dates may be specified for different areas.

Apprehension and punishment of armed persons, reputed thieves, etc.

2. Any person found, between sunset and sunrise,— [*Cf.* Ben. Act IV of 1866, s. 32.]

(*a*) armed with any dangerous or offensive instrument whatsoever, with intent to commit any criminal act ;

(*b*) having his face covered or otherwise disguised, with intent to commit any offence ;

(*c*) in any dwelling-house or other building whatsoever, without being able satisfactorily to account for his presence therein ; or

any reputed thief found between sunset and sunrise on board any vessel or boat, or lying or loitering in any bazar, street, yard, thoroughfare or other place who shall not give any satisfactory account of himself ; or

any person having in his possession, without lawful excuse (the proof of which excuse shall be on such person) any implement of house-breaking ;

may be taken into custody by any police-officer without a warrant, and shall be liable, on summary conviction before a Magistrate, to imprisonment, for a term which may extend to three months.

Explanation.—In this section the word "street" means any road, lane, footway, square, court, alley or passage, whether a thoroughfare or not, to which the public have, permanently or temporarily, a right of access.

Possession or dealing with thing stolen or fraudulently obtained.

3. (*1*) Whoever has in his possession, or conveys in any manner, or offers for sale or pawn, anything which there is reason to believe to have been stolen or fraudulently obtained, shall, if he fails to account for such possession or act to the satisfaction of the Magistrate, be liable to fine which may extend to one hundred rupees, or to imprisonment, for a term which may extend to three months. [*Cf.* Ben. Act IV of 1866, s. 54A.]

The Bengal Criminal Law (Industrial Areas) Amendment Bill, 1941.

(Clause 3.)

(2) If any person charged under sub-section (*1*) in respect of anything declares that he received such thing from some other person, or that he was employed as a carrier, agent or servant to convey such thing for some other person, the Magistrate, after such further inquiry (if any) as he may deem necessary, may summon such other person, and any former or pretended purchaser or other person through whose possession such thing is alleged to have passed, to appear before him, and may examine such person and any witnesses who are produced to testify to such receipt, employment or possession ; and, if it appears to such Magistrate that any such person had possession of such thing and had reasonable cause to believe that it was stolen or fraudulently obtained, the Magistrate may punish him with fine which may extend to one hundred rupees, or with imprisonment, for a term which may extend to three months.

STATEMENT OF OBJECTS AND REASONS.

Thefts of articles from railway workshops and stores and from mill and industrial areas are of frequent occurrence and it is always difficult to bring the offenders to book owing to the difficulty of satisfactory identification of the articles as required by law. The question of dealing with the criminals has been examined by the Railway Administrations as also by the Blandy-Gordon Committee and by Government and the view has been held that the problem can be effectively met only by special legislation on the lines of sections 32 and 54A of the Calcutta Police Act, 1866, which while applying to the whole of Bengal should, at the outset, be extended to such individual areas as Government may, from time to time, notify to that effect. For the present, it is proposed to make the Bill applicable to the railway workshops at Kharagpur, Kanchrapara and Chittagong.

(*2*) They shall apply to Assistant Commissioner, promoted from the rank of Sergeant in the Calcutta Police Force whose domicile at the time of appointment as Sergeant was non-Asiatic.

(*3*) These rules shall have effect and shall be deemed always to have had effect as if they had been made on the 22nd April 1939.

2. *Definitions.*—For the purpose of these rules—

(*1*) "Children" means legitimate children who, if females, are unmarried and under the age of 21 or if males, are under the age of 17, and includes step-children residing with and wholly dependent upon an officer;

(*2*) "Officer" means an individual to whom these rules apply;

(*3*) "Passage" means—

(*ii*) the actual fare paid for railway journeys in India and Ceylon when travelling to avail of a sea passage, or when returning after having taken a sea passage under these rules, provided the fare shall not exceed the cost of a single 2nd class fare for the railway journey between Bombay and the place at which the officer was last stationed or to which he is posted on return to duty respectively.

(*4*) the domicile of a person at the date of his appointment shall be determined in accordance with the rules published with the Government of Bengal, notification No. 985F., dated the 17th February 1927.

3. *Account of passage monies.*—(*1*) A separate account shall be opened by the Accountant-General, Bengal, in the case of each officer, and if such officer is married, for his wife and if he has children, for each child. These accounts shall be credited respectively with the number of the passages to which the officer, his wife and children are entitled under rule 4, and no transfer of any credit shall be made from one account to another. Within the limit of these credits the officer

(*2*) (*a*) Payment for all-sea passages shall be made by the Accountant-General, Bengal, to the steamship companies either direct or through recognized firms of passenger agents.

(*b*) Payment on account of journeys by land shall be made by the Accountant-General, Bengal, either to the officer making the claim or to the steamship company or a recognized firm of passenger agents.

(*3*) The accounts mentioned in sub-rule (*1*) shall be debited with the number of the passages actually engaged subject to the limit prescribed in that sub-rule, and with the number of fares drawn on account of railway journey mentioned therein.

Note 1.—For the purpose of the proviso (*b*) to sub-rule (*1*) of this rule, a journey by land may be deemed to include a passage across the English Channel, and railway fare may be deemed to include the cost of such a passage.

4. *Number of passages available.*—The maximum benefits to which officers shall be entitled under these rules, shall be as follows:—

(*a*) two return passages for the officer, the first after not less than 7 years' service in the Police Department and the second, after an interval of not less than 7 years' subsequent to the first; provided that officers who had more than 10 years' service in the Police Force on the 1st April 1939, shall be entitled to one return passage instead of two;

Agreement.

MEMORANDUM OF AGREEMENT made this fourteenth day of July One thousand nine hundred and forty-one BETWEEN THE CALCUTTA ELECTRIC SUPPLY CORPORATION, LIMITED, a Company incorporated under the English Companies Acts and having its registered office at Victoria House, Vernon Place, Bloomsbury Square in London, and having a Branch Office at Victoria House, Chowringhee Square in Calcutta (hereinafter called "the Company") of the one part and THE GOVERNOR OF THE PROVINCE OF BENGAL (hereinafter called "the Governor") of the other part.

WHEREAS for the purpose of reconstruction, enlargement and extension of the Company's Generating Station at Cossipore and also of providing and erecting other buildings, quarters, structures, works, machinery and plant in connection therewith and in connection with the general supply of electric energy and purposes incidental thereto in Calcutta and adjoining licensed areas the Company has applied to the Government of Bengal for the acquisition under the provisions of the Land Acquisition Act, 1894, of a plot of land containing an area of eighteen bighas, eight cottahs and four chittacks or thereabouts situate at Cossipore (ward No. 32 of the Calcutta Municipality in the city of Calcutta) and more particularly described in the Schedule hereto and delineated in the plan* hereunto annexed.

AND WHEREAS the said Government of Bengal, being satisfied by an enquiry held under section 40 of the said Act that the proposed acquisition is needed for the aforesaid purpose and that the said work is likely to prove useful to the public, has consented to acquire on behalf of the Company the plot of land hereinbefore described.

AND WHEREAS the said Government of Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the Agreement with the Governor hereinafter contained.

NOW THIS INDENTURE WITNESSETH that it is hereby agreed and declared as follows:—

1. On demand the Company shall and will pay to the said Government of Bengal all and every compensation in respect of the said land tendered, paid or awarded or to be tendered, paid or awarded by the Collector under the Land Acquisition Act, 1894, or by the Court to which a reference under Part III of the said Act may be made, or by the Court or Courts to which an appeal from the award of the said Court may be preferred and all costs, charges and expenses of the proceedings in the aforesaid Courts, or otherwise incidental to the proposed acquisition or payable in respect thereof under the provisions of the said Act.

2. On demand made by the said Collector the obligations of the Company under the last preceding clause not being thereby limited, the Company shall and will deposit with the said Collector such sum or sums of money as in his discretion the said Collector may in anticipation estimate to be necessary for the purposes mentioned in the last preceding clause.

3. On payment by the Company of all demands under the foregoing first clause, or, in the discretion of the said Government of Bengal (on deposit by the Company of all estimated amounts as provided in the second clause), but not before possession shall have been taken under the provisions of the abovementioned Act, the Governor shall make over possession of the said land to the Company and shall execute and do all such acts and deeds as may be necessary and proper for effectually vesting the same in the Company.

4. The said land shall be held by the Company for the purpose of such supply of electrical energy as is hereinbefore mentioned and purposes incidental thereto and without the sanction in writing of the said Government of Bengal first had and obtained for no other purpose whatsoever.

5. The said Generating Station and other works shall be completed and fully equipped in all respects ready for use within three years from the date on which possession of the said land shall have been given to the Company.

6. Should the said Generating Station and works not be completed (and fully equipped in all respects ready for use) within the period stated in the last preceding clause or within such further period as in its discretion may be prescribed or allowed by the said Government of Bengal or should the said land at any time thereafter cease for a period of six consecutive months to be held and used or cease to be required for the purpose or purposes provided for in the foregoing fourth clause then and in any such case, the said Government may summarily re-enter upon and take possession of the said land together with all buildings thereon, whether such buildings were erected before or after transfer of the said land to the Company and thereupon the interest of the Company in the said land and buildings shall absolutely cease and determine.

7. On taking such possession the said Government may sell or otherwise deal with the said land and buildings as it may think proper.

*Not printed but may be inspected in the office of the First Land Acquisition Collector, Calcutta.

(*i*) Should the said Government sell the land with the buildings the said Government after deducting the expenses incurred in connection with the said taking of possession and with such sale shall pay the proceeds to the Company.

(*ii*) Should the said Government decide not to sell the land and buildings, the said Government shall retain the said land and buildings thereon in which case the Governor shall repay to the Company the market value as on the day of re-entry of all the buildings erected by the Company and all sums received from the Company in respect of all and every compensation as provided in the foregoing first clause (less the statutory allowance of fifteen per cent. and less any amount received on account of trees and buildings which are not in existence at the time of resumption) but will not repay any sums paid and received on account of costs, charges and expenses.

(*iii*) Should the said Government decide to sell the buildings only, upon such sale the Governor shall, after deducting the expenses of taking possession and selling, pay the balance of the proceeds of sale to the Company, together with the sum received from the Company in respect of the compensation for the land (less the statutory allowance of fifteen per cent. and less any amount received from the Company on account of trees and buildings which are not in existence at the time of resumption), but will not repay any sum paid and received on account of costs, charges and expenses.

8. The public shall be entitled to the use of the said land on the following terms, that is to say, subject to the provisions of The Indian Electricity Act, 1910, and Rules made thereunder or to the provisions of any other legislative enactment or rules in that behalf for the time being in force, the public in the vicinity of the said Generating Station and in the adjoining licensed area shall, when the said station and works are completed, be entitled to be supplied with electrical energy from such Generating Station within the limits of the power available at such station and in pursuance of the terms of the electrical license granted to the Company.

9. Should any dispute or difference arise touching or concerning the subject matter of this agreement or any covenant, clause or thing herein contained the same shall be referred to the said Government of Bengal and the opinion and decision of the said Government upon such dispute or difference shall be final and conclusive and binding on the parties hereto.
